

**TROCAL**<sup>®</sup>  
That's my window.

The accent  
is on  
elegance.

# TROCAL 70. Colours and surfaces.

Delivery class 1 – valid from March 1<sup>st</sup> 2019

# In the future life will become more colourful.

As a window system, TROCAL 70 also offers a lot in terms of design. Whether timber structures or plain colours for exterior use and neutral white on the inside or continuous design on the inside and outside - with TROCAL 70 you can realise your desire for outstanding architecture.
