TROCAL 88 is the most progressive window and door system on the market. Also in terms of design. There are wood texture, plain and metallic colours for external surfaces, neutral white or all-over wood texture for the inside. You can achieve any architectural vision with TROCAL 88.

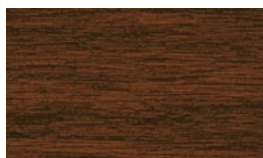

Delivery class 1:
available ex-works.
All profiles have a ready installed black gasket.

Please note the delivery programme. The colours shown are not available for all geometries. Colour deviations are possible due to the printing process.

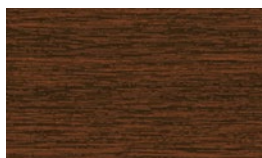

»» Wood texture foil, embossed surface.
